

Teaching and Learning to Develop Higher Order Thinking Skills (EN)

Samuel Evans (WD)

Primary Head of English / Primary Teacher

Description:

Participants will discuss and focus upon interaction, questioning and differentiation strategies to encourage the development of higher order thinking skills in their learners.

Outcome:

1. A series of interaction and differentiation strategies to develop Higher Order Thinking Skills.
2. A number of questioning techniques to systematically encourage deeper thinking.
3. A renewed understanding of the importance and use of Bloom's Taxonomy.
