

Thoughts and Practices on Establishing a "Deep Thinking Classroom" (CN)

Hongyi Xue (HQ)
Middle School Head of
ICT / ICT Teacher

Julie Wang (HQ)
Middle School Service
Learning Coordinator
/Homeroom Teacher/
Chinese Teacher

Description:

Our PD will explore the importance of fostering a culture of thinking in the classroom, and together we will learn how to effectively implement the Thinking Routine to stimulate students to think positively and develop their critical and creative thinking skills. Teachers will become members of each other's "private boards" and work together to enhance the culture of thinking in our classrooms through reflection!

Outcome:

Strategies and methods for building a culture of deep thinking in the classroom
